

# **Goals for the Argyle Fire District**

## **2024–2025**

- 1** Purchase a new small attack truck.
- 2** Continuing education of fire safety through materials given out to children and adults: informational packets, tri-folds, and coloring books with information.
- 3** Promote and install smoke detectors provided by the Red Cross. Continue working with the Red Cross and the Sound the Alarm Campaign.
- 4** Promote and install address signs. Address signs are reflective and visible day or night.
- 5** Test hose on apparatus. To meet requirements, the NFPA code for testing fire hoses is NFPA 1962, the Standard for the Care, Use, Inspection, Service Testing, and Replacement of Fire Hose, Couplings, Nozzles, and Fire Hose Appliance.
- 6** Service apparatus and pump-test apparatus per NFPA 1901.
- 7** Conduct Fire One classes through either in-person classroom instruction or an online blended class.
- 8** Provide and/or participate in in-house training or training with other agencies. Provide a quarterly training schedule.
- 9** Review budget items and adjust as needed.
